Dear Dr Sofiani,

With reference to your manuscript jka_20_11 entitled Poor Sleep Quality Related to Impaired Cognitive Function Following Stroke: A Comparative Cross-Sectional Study, please review the comments of the referees from our site <https://review.jika.aisyah.com/jka>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript along with clarifications for all the comments clearly indicating the areas where the changes have been made.

Do check the FAQ regarding replying to the comments and uploading a file. The template of point-by-point comments files for the reviewers, is available in your dashboard under the 'Downloads' menu option.

The journal allows two weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it as your decision to withdraw your article from publication. Please also note that the submission of the revised article does not guarantee its final acceptance by the journal.

We thank you for submitting your valuable research work to Nursing and Midwifery Studies.

With warm personal regards,

Editorial Team

Dear Editorial Team,

I have submitted the revision to the website. Here I also attached the file.

Thank you.

Sincerely,

Yani
