Copyright Transfer

1. The undersigned hereby assigns to IJRESM, all rights under copyright that may exist in and to (a) the above Work, including any revised or expanded derivative works submitted to the IJRESM by the undersigned based on the Work; and (b) any associated written or multimedia components or other enhancements accompanying the Work.
2. IJRESM shall make the final, published version of the article freely available on the website
3. The undersigned hereby grants IJRESM the unlimited, worldwide, irrevocable right to use his/her name, picture, likeness, voice and biographical information as part of the advertisement, distribution and sale of products incorporating the Work or Presentation, and releases IJRESM from any claim based on right of privacy or publicity.
4. The undersigned hereby warrants that the Work and Presentation (collectively, the "Materials") are original and that he/she is the author of the Materials. To the extent the Materials incorporate text passages, figures, data or other material from the works of others, the undersigned has obtained any necessary permissions. Where necessary, the undersigned has obtained all third party permissions and consents to grant the license above and has provided copies of such permissions and consents to IJRESM.
5. The undersigned represents that he/she has the power and authority to make and execute this assignment.
6. The undersigned agrees to indemnify and hold harmless the IJRESM from any damage or expense that may arise in the event of a breach of any of the warranties set forth above.
7. In the event the above work is not accepted and published by the IJRESM or is withdrawn by the author(s) before acceptance by the IJRESM, the foregoing copyright transfer shall become null and void and all materials embodying the Work submitted to the IJRESM will be destroyed.
8. For jointly authored Works, all joint authors should sign, or one of the authors should sign as authorized agent for the others.

TERMS & CONDITIONS and RETAINED RIGHTS

General:

1. Authors retain all proprietary rights in any process, procedure, or article of manufacture described in the Work.
2. Authors/employers/funding agencies may reproduce or authorize others to reproduce the Work, material extracted verbatim from the Work, or derivative works for the author's personal use or for company use, provided that the source and the IJRESM copyright notice are indicated, the copies are not used in any way that implies IJRESM endorsement of a product or service of any employer, and the copies themselves are not offered for sale.
3. Although authors are permitted to re-use all or portions of the Work in other works, this does not include granting third-party requests for reprinting, republishing, or other types of re-use.
4. Authors whose work was performed under a grant from a funding agency are free to fulfill any deposit mandates from that funding agency.
5. Authors recognize that the payment of an Article Publication Charge is a requirement of open access publishing.

Author Online Use of Open Access Articles:

1. **Personal Servers.** Authors, their employers and/or their funding agencies shall have the right to post the final, published version of IJRESM- copyrighted articles on their own personal servers or the servers of their institutions or employers without permission from IJRESM, a full citation to the original IJRESM publication.
2. **Classroom or Internal Training Use.** An author is expressly permitted to post any portion of the final, published version of his/her own IJRESM- copyrighted articles on the author's personal web site or the servers of the author's institution or company in connection with the author's teaching, training, or work responsibilities, provided that the appropriate copyright, credit, and reuse notices appear prominently with the posted material. Examples of permitted uses are lecture materials, course packs, e-reserves, conference presentations, or in-house training courses.

Information for authors:

Author Responsibilities: The IJRESM distributes its technical publications throughout the world and wants to ensure that the material submitted to its publications is properly available to the readership of those publications. Authors must ensure that their Work meets the requirements of publishing policies. It is the responsibility of the authors, not the IJRESM, to determine whether disclosure of their material requires the prior consent of other parties and, if so, to obtain it. "Statements and opinions given in work published by the IJRESM are the expression of the authors."

Author/Employer Rights: If you are employed, either you or the employer should sign this Form as the Author.

Information for readers on the use of open access articles:

Reuse: Third-party users may view, print, copy and download the content for personal use or academic purposes. Users may also post links to the published IJRESM version of the Work. All third-party users must provide complete attribution to both the IJRESM publication title and the names of the author(s) of the Work.

The Contribution will be made Open Access under the terms of the Creative Commons Attribution License which permits use, distribution and reproduction in any medium, provided that the Contribution is properly cited.
