6.	Neuro-Psikiatri	<ol style="list-style-type: none"> 1. dr. Rusdi, Sp,KJ 3x 2. dr. Robiah 5x 3. dr. Murni 2x 	

			 <p>The image is a screenshot of a Zoom mobile application interface. At the top, the status bar shows the time 17:40 and a signal strength icon. Below that, there is a navigation bar with a back arrow, a speaker icon, and a 'Zoom' dropdown menu. The main content area is split into two sections: the top section shows a video feed of a person in a yellow shirt, and the bottom section shows a presentation slide. The slide is titled 'Bentuk Dasar' and contains several lines of text, though the text is mostly illegible due to blurring. At the bottom of the screen, there is a toolbar with icons for 'Mute/Unmute', 'Make Video On/Off', 'Join/Leave Meeting', and 'More Options'. A circular icon with a pencil is also visible above the toolbar.</p>
