Understanding the TOD Concept of Historical Areas Through Precedent Studies

Ari Widyati Purwantiasning1*, and Saeful Bahri2

Abstract.

This research is part of multi-year research, which is undertaken for two years. It aims at understanding the implementation of TOD concept through precedent studies. The significance of this research is the areas of precedent studies of historical areas within metropolitan cities. The idea of TOD itself has been regarded as a perfect solution for a metropolitan city which has a relatively large population. This research has conducted historical areas for the study because the concept of TOD has been promoted as a perfect solution to improve and enhance the quality of life of the historical areas (the built environment and the local community itself). This research has implemented the qualitative method using precedent studies as a way of thinking to get the typology of the historical
