READING ACTIVITIES IN KAUMAN AREA, PARAKAN, INDONESIA, DURING THE COLONIAL ERA USING MAPPING ANALYSIS

Ari Widyati Purwantiasning1+  
Kemas Ridwan Kurniawan2  
Pudentia Maria Parenti Sri Suniarti3

This paper aims to identify the activities of a local organization known as Barisan Bambu Runcing as a part of the undertakings of Indonesian warriors in the colonial era, particularly in Kauman, Parakan, Temanggung, Central Java, Indonesia. The role of Indonesian warriors was very particular, as it involved their preparation to fight the Dutch and the Japanese. By identifying such activities in the colonial era, future generations will understand historical events, so they will appreciate history. We have chosen a
