Revealing the
History of
Parakan
Through the Architectural Heritage of Kauman Parakan, Central
Java, Indonesia
Ari Widyati Purwantiasning+ & Kemas Ridwan Kurniawan++
(Indonesia)

Abstract
Parakan that has been known as a city of "Kaum" since the pre-colonial era has been designated as a heritage city since 2015 as a part of heritage city of Temang- gung, Central Java, Indonesia. The history of Parakan itself has been formed in the different version, referring to some sources either from literature as well as from direct sources (observation and interviews). This condition has encouraged the authors to investigate the history of Parakan
